PROFESSIONAL EXPERIENCE

Domino Forensic Services, LLC, January 2016 - Present

Conduct criminal-forensic (competence to stand trial, guilty except insane/insanity defense, mitigation, competence to be executed, post-conviction relief); civil-forensic; disability; adult diagnostic; and violence risk evaluations.

Chief Psychologist, January 2003 – January 2016

South Carolina Department of Mental Health's Forensic Evaluation Service (Columbia, SC)

Conducted evaluations of: competence to stand trial and criminal responsibility of juveniles and adults, competence to be executed, psychological assessment, post-conviction relief, risk assessment, and annual reviews of residents in a sexually violent predator program. Provided court testimony as needed. Supervised medical students, graduate and undergraduate psychology students, and forensic fellows. Employee of the Year (Forensic) in 2005.

Clinical Assistant Professor, April 2004 – July 2017

University of South Carolina's (USC) Department of Neuropsychiatry & Behavioral Sciences (Columbia, SC)

Faculty member of USC's forensic fellowship. Supervised forensic fellows in evaluations and resulting reports. Attended quarterly meetings. Provided lectures and training to university staff and students.

Senior Research Associate & Project Manager, June 1994 – July 1996

Center for Criminal Justice Policy Research [now the Institute on Race and Justice] (Boston, MA)

Responsible for grant submission, supervision of research assistants, budget monitoring, and project implementation of various governmental programs.
